

EVERY Ohio Taxpayer can support Catholic Education through the Angel Scholarship Fund

A Catholic education has the power to change lives, but for many, financial barriers stand in the way. This school year among the two schools in the network, we had over \$400,000 in a tuition funding gap between what was covered by the Ohio Ed Choice Scholarship and what families owed. With your support, we can eliminate the tuition barrier for parents and help students achieve their dreams.

Change Lives in 3 Easy Steps

1. Donate to the Fund: An individual or married couple makes a charitable contribution to the Angel Scholarship Fund. Designate the donation to a specific Catholic school (i.e. **All Saints School, Mater Dei Academy, Lake County Catholic School Network**).

2. You Receive a Tax Credit: The State of Ohio offers a dollar-for-dollar income tax credit for your contribution, up to \$750 for an individual or \$1,500 for a married couple filing jointly. This credit reduces your state tax liability by the exact amount you contribute (up to the cap), essentially **making the donation cost you nothing out-of-pocket**. Your Ohio state tax liability for the Angel Scholarship Fund can be found on line 8c of your Ohio IT 1040 Individual Income Tax Return from the previous year.

3. Scholarships are Awarded: The money you contributed is then used by the ASF to provide tuition assistance scholarships to K-12 students with financial need, helping them afford a Catholic education.

Donate today and be the angel in someone's story
